Dear Sir/Madam

Re Kioloa Beach Holiday Park Application to DIPNR (re Camping Sites)

This is a letter of support from the Kioloa Volunteer Rural Fire Brigade supporting the Kioloa Beach Holiday Park in their application to increase the number of registered sites in the Park.

We understand that the Park is not seeking an actual increase, but trying to properly account for what they have been using for many years (even before the present owners purchased the Park).

The Park is well managed, and there have never been any problems in the area caused by guests of the Park.

As a volunteer organization here in Kioloa, we rely on fundraising to operate, and receive a great deal of support from Kioloa Beach Holiday Park Management ; (as does the local Volunteer Coastal Patrol). They allow us to fundraise in the Park at various times, and the Park Management also organises an annual major fundraising event, fostering community involvement and keeping our volunteer groups in the public eye.

We also feel that the close proximity of the Park to our premises, enables their management to keep a watch on the Kioloa Fire Station building and premises and alerts ourselves or the police to any problems if they arise.

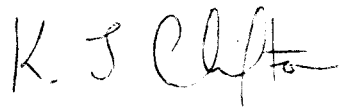

We are very happy to offer our support to the Kioloa Beach Holiday Park's application as we believe that they offer both a very pleasant and well managed place for people visiting the area to stay and also assist local volunteer groups, such as ourselves, in our fundraising endeavours.

We consider that there is nothing in their application to regularise their situation which could be detrimental to either our organisation or the local community.

Yours faithfully
