Dear Ms Whiley

Enfield ILC – MP05_0147 – Warehouse Precinct H Signage – Approval of amended tenant signage locations for warehouse H1, as required under Condition 1.8

I refer to your correspondence seeking the Planning Secretary's approval of amendments to tenant signage locations on warehouse H1, in the Final Designs for Precinct H of the Enfield ILC, under condition 1.8 of the abovementioned Project Approval.

The Department has reviewed the documents submitted. The envelope of the previously approved tenant signage would remain unchanged, however the proposal seeks to amend the location of one of the signs on the western elevation of warehouse H1, which would be sited 3 metres lower upon the elevation.

The amendments are considered to be minor, and I therefore approve the amended tenant signage locations for the Final Designs for Precinct H only, as per the letter from NSW Ports titled: *Re: Enfield Intermodal Logistics Centre – Project Approval MP05_0147 – Precinct H Signage*, dated 29 June 2020.

If you have any further queries or require clarification on this matter, please contact Nathan Stringer, Senior Planning Officer, on 9995 5531, or via email at nathan.stringer@planning.nsw.gov.au.

Yours sincerely
