Dear Ms Whiley

Enfield ILC – MP05_0147-PA-8 – Approval of updated Overarching Operational Environmental Management Plan, as required under condition 6.4

I refer to your correspondence seeking the Planning Secretary's approval of updates to the Overarching Operational Environmental Management Plan (OEMP) under condition 6.4 of the Project Approval.

The Department has reviewed the updated Overarching OEMP and is satisfied that it addresses the requirements of condition 6.4 of the project approval. I therefore approve the updated Overarching OEMP, as per the document by NSW Ports titled: *Enfield ILC Overarching Operational Environmental Management Plan*, dated July 2020.

If you have any further queries or require clarification on this matter, please contact Dominic Crinnion via email at Dominic.Crinnion@planning.nsw.gov.au.

Yours sincerely
