Subject: Overarching Operational Traffic Management Plan (rev 5.2, November 2024)

Dear Mr Beudeker

I refer to your submission dated 28 November 2024, of the Overarching Operational Traffic Management Plan (rev 5.2, November 2024) (the OTMP) to the Planning Secretary for Approval under Condition 6.5(b) of the MP05_0147 Conditions of Approval. I also acknowledge your response to the Department's review comments and request for additional information.

I note the updates to the OTMP:

- were limited to Traffic and Capacity Monitoring Program (required by Condition 3.6) component of the OTMP;
- reflect the Project's use of Transport for NSW's Automated Number Plate Recognition (ANPR) and NSW Ports' Enfield Traffic Management Tracking model;
- satisfy an action arising out of the Project's 2023 Independent Environmental Audit;
- have been reviewed NSW Ports; and
- contain the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Overarching Operational Traffic Management Plan (rev 5.2, November 2024) under Condition 6.5(b) of MP05_0147.

You are reminded that if there are any inconsistencies between the OTMP and the conditions of approval, the conditions prevail.

Please ensure you make the OTMP publicly available on the project website at the earliest convenience. If you wish to discuss the matter further, please contact Amy Porter on amy.porter@planning.nsw.gov.au.

Yours sincerely
