Dear Sir/Madam,

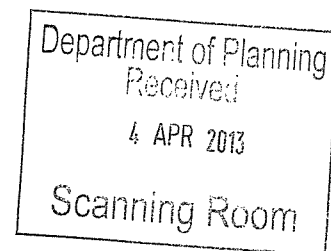

**Ref: Project Application number 05\_0157 Proposed Materials Recycling Facility  
Moorebank**

We strenuously oppose the application from Moorebank Recyclers for the construction and operation of a construction materials recycling facility on a site off Newbridge Road Moorebank.

This is a residential area and we do not consider this type of proposal is suited for the following reasons:

- Increase in traffic especially those of trucks to and from the site
- Impacts to Air quality/dust/smell/stench
- Hours of operation at the facility
- Hours of truck movements and deliveries to and from the proposed site
- Noise pollution associated with site activities

Yours Faithfully,

Mr S. McGregor

Ms A. McGregor
