Subject: Proposed Moorebank Recycler's Materials Recycling facility New Bridge Road, Moorebank

Dear Sir/Madame,

Following the advice of this company in its letter sent to all the Georges Fair residents advising us to provide our comments to you on its proposal to build a recycling plant next to our residential Georges Fair.

The answer is NO.

We will fiercely oppose it.

I have lived in this area not more than 2 years and clearly know the plant's impact on our living environment as well as the value of our house newly built on this land.

truly yours,

Long Nguyen
