Subject: Cullerin Wind Farm - Replacement of Environmental Representative

Dear Mr Manley,

I refer to your request dated 21 May 2026 for the Planning Secretary's approval of yourself as the appointed Environmental Representative under Condition 94, Schedule 2 of the consent for Cullerin Wind Farm (MP05_0167).

The Department notes the existing approved Environmental Representative is no longer employed in this capacity for Cullerin Wind Farm.

The Department has reviewed the nomination and information you have provided regarding a change in Environmental Representative and is satisfied that they are suitably qualified and experienced. Accordingly, I can advise that the Planning Secretary approves the appointment of Gavin Manley as the Environmental Representative for Cullerin Wind Farm.

Please ensure you notify and seek the approval of the Planning Secretary if any changes to this appointment should occur.

If you wish to discuss the matter further, please contact Katie Weekes on 4927 3223.

Yours sincerely,
