Dear Sir,

As requested in Ref A, the following is Renewable Power Ventures (RPV) response to issues raised in Goulburn-Mulwaree Councils submission to the Department of Planning. No part of the wind farm is located within the Goulburn-Mulwaree LGA, however access to the wind farm site during construction will be required on roads within the LGA. RPV agrees that the Goulburn-Mulwaree Council should and will be consulted in the preparation of the TMP. RPV has already committed to this (please refer to Ch 15 (Construction Traffic Management Sub Plan and Road Dilapidation Report Commitments) of the EA).

Yours sincerely,

David Griffin
