Tarago and District Progress Association... *Promoting the economic and social development of the region*

The association held a public meeting on Sunday, 6 February in the Tarago Hall. The main theme of the meeting was "The beautification of Tarago". After President Martin Payne delivered a report on association activities since the last meeting, Chris Burns gave an outline of the proposed memorial garden next to the flag pole in the park. Kerry Delaney then talked about the work currently being undertaken to get the memorial plaque project completed by ANZAC day in April this year. Both the plaque and garden would enhance the entrance to the village.

Vice President Lou Alaimo has been analysing the survey forms members have handed back, from which it is evident most people would like to have the village looking neater and greener. The meeting was then opened for suggestions and ideas on this main topic. After some discussion from the members, four working groups were formed to plan some initial projects.:

- Planter boxes in the main street. George Gundry ; Pam Greenwood, Caroline Campbell, Martin Payne.
- Trees and tree-lining. Also looking into the possibilities of fruit trees. Lou Alaimo, Cid Riley, Leanne Wells.
- Walks in the area. Chris Elford, Dian and Mark Elvin.
- Researching and presenting the history of the area. Joan Limon and Marianne Ronayne.

Please contact the association should you have ideas or wish to join a group
