**(Name withheld), of Wybong NSW, made the following submission on the project:**

## **[Mangoola Mine - Modification 6 - Extraction Rate Increase](#)**

---

### **Objects to this project**

I object to this modification as I have been forced from my home at Wybong and my family by the noise and dust that comes from Mangoola and the effect it has had on everyone who lives there.

I want to live on my family property at Wybong and Mangoola have destroyed it along with my family.

They should fix my home and my family and community first.
