(b) nominate project/s for expenditure from the fund by 31 January 2015; and
(c) ensure the nominated project/s are commenced by 30 June 2015,
to the satisfaction of the Secretary."
5. Delete condition 6 of Schedule 5, and replace with the following:

Incident Reporting

- "6. The Proponent shall immediately notify the Secretary and any other relevant agencies of any incident. Within 7 days of the date of the incident, the Proponent shall provide the Secretary and any relevant agencies with a detailed report on the incident, and such further reports as may be requested."
6. In Appendix 5, delete the figure and replace with the following:

7. After Appendix 6, insert the following:

APPENDIX 7 MOD 4 STATEMENT OF COMMITMENTS

Subsidence

- Angus Place Colliery will satisfy the Division of Resources and Energy that the proposed first workings are designed to remain stable and non-subsiding in the long term, except insofar as they may be impacted by approved second workings.
- Appropriate impact management and mitigation strategies will be developed for infrastructure and natural features within the Project Application Area as required.
- Existing management plans will be reviewed and updated if necessary to take into consideration impact management, performance management and mitigation strategies for the Modification.

Water Resources

- The existing Site Water Management Plan will be reviewed and updated if necessary to take into consideration potential impacts from the Modification.

Ecology

- The existing Flora and Fauna Management Plan will be reviewed and updated if necessary to take into consideration potential impacts from the Modification.
