Hi Susan,

Thank you for providing the opportunity for Council to comment on the modification application MP06-0050 (MOD1).

Council does not object to the proposed modification but requests the Department take into consideration the safety of users of the surrounding road network as a result of changes to traffic movements.

Should you have any questions or require any further information from Council, please contact me on the details below and I will be happy to help.

Regards,

Brett Gardiner | Senior Executive Planner
