Dear Ms Makin

**Peppertree Quarry Project (MP 06_0074)
Endorsement of Acoustic Experts**

I refer to your letter dated 2 December 2019 requesting the Secretary's endorsement of acoustic experts to prepare the Noise Management Plan (NMP) that is required under conditions B9 of Peppertree Quarry's development consent MP 06_0074.

The Department has reviewed the resumes of acoustic consultants, Mr Nathan Lynch and Mr Steven De Luzuriaga of Energy Resources Management (ERM) and, on this basis, considers that they are suitably qualified to prepare Peppertree Quarry's NMP.

Therefore, the acoustic consultants Mr Lynch and Mr De Luzuriaga have been endorsed by the Secretary.

If you have any enquiries regarding this matter, please contact Anthony Barnes on 8289 6709 or at anthony.barnes@planning.nsw.gov.au.

Yours sincerely
