Subject: **Pepper Tree Quarry Project, Schedule 2 Condition 10 – Transport Limits**

Dear Ms Jackson,

I refer to your request dated 30 August 2022 regarding the Pepper Tree Quarry Project at Marulan South. You advise industrial action involving your rail provider is due to recommence on 1 September 2022. You seek to ensure continued supply of quarry materials to your customers and you request approval to transport quarry products by road for eight weeks in accordance with condition of approval A10 of Schedule 2.

You also advise there would be no more than 60 laden heavy vehicles per day leaving the site and the transportation would be between 7 am to 7 pm. The Department understands that all residents along Marulan South Road between the quarry and the Hume highway would be notified in writing.

Given the above I approve your request to dispatch 60 laden heavy vehicles per day, between the hours of 7 am to 7 pm, until Friday 28 October 2022.

If you wish to discuss the matter further, please contact Carl Dumbleton via carl.dumbleton@planning.nsw.gov.au.

Yours sincerely
