Subject: Peppertree Quarry (06_0074) Schedule 2, Condition A10 – Transport Limits

Dear Ms Jackson

I refer to your letter dated 24 November 2022, requesting approval to send quarry products by road due to industrial action being taken by employees of your rail transport provider.

I note your request to send 60 laden heavy vehicles per day, between 7 am and 7 pm, with a maximum hourly haulage rate of 10 laden heavy vehicles. It is also noted that you would notify residents along the transport route.

Consequently, in accordance with condition A10 of Schedule 2, I approve the use of road transport as described above.

If you wish to discuss the matter further, please contact Carl Dumpleton on carl.dumpleton@planning.nsw.gov.au or 9274 6283.

Yours sincerely
