Subject: Water Management Plan

Dear Christopher,

I refer to the Water Management Plan (rev. 11, dated 14 June 2024) submitted in accordance with Condition D6, Part D of the consent for the Marulan South Hard Rock Quarry (MP06_0074-PA-53).

I note the Plan has been prepared in consultation with relevant agencies, has been reviewed by the applicant and no issues have been raised with the Department, and contains the information required by the conditions of consent.

The Department has reviewed the document and is satisfied that it generally meets the requirements of the relevant conditions of consent (MP06_0074-PA-53).

Accordingly, as nominee of the Planning Secretary, I approve the Water Management Plan (rev. 11, dated 14 June 2024).

You are reminded that if there are any inconsistencies between the Plan and the conditions of consent, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience. If you wish to discuss the matter further, please contact Emily Pemberton on 0282 751 783.

Yours sincerely
