Redevelopment of Lismore Hospital

As you are aware Urban Planning Outcomes has been engaged by NSW Health to facilitate the approval of hospital projects in excess of \$15 million under Part 3A of the *Environmental Planning and Assessment Act 1979* (EP&A Act).

Following your advice that the above project has been declared the above project to be a Major Project under Part 3A, and to facilitate our preparation of the Environmental Assessment under section 75H of the EP&A Act, NSW Health formally request that the Department of Planning issue Director-Generals requirements as soon as possible.

To facilitate this process, I have attached a summary of the development proposal prepared by Hassell Sydney. I look forward to receiving the requirements in the near future.

If you need any further information, please call me on 0410 432 505 or 9661 8019

Yours sincerely
Urban Planning Outcomes
