Dear Ms Briggs

**Determination of Section 75W Modification - Genesis Waste Management Facility (MD 06\_0239 MOD5)**

The Department has finalised its assessment of the Section 75W Modification – Genesis Waste Management Facility.

The Modification is required to be determined by the Planning Assessment Commission due to a reportable political donation having been made, consistent with the Minister's delegation of 14 September 2011.

Please find the Department's assessment report and modified conditions for the Genesis Waste Management Facility enclosed within the attached file 15/07273-2.

Should you have any further enquiries about this matter, I have arranged for Mr Chris Ritchie, Director, Industry Assessments, to assist you. Mr Ritchie can be contacted on (02) 9228 6413.

Yours sincerely
