Hi Emma,

I hope you are well too.

The Department has not issued any comments on the scoping for the proposed MOD 34.

We are ok for you to proceed with providing the draft modification package via email before formally uploading to the portal for lodgement.

Kind regards,

Hi Shuan and Catriona,

I hope you are both well.

I wanted to take this opportunity to introduce myself. My name is Emma, and I have recently joined Allen Price following Stephen Richardson's retirement.

I am writing to follow up on the scoping proposal submitted for Mod 34, and to enquire whether the Department has provided any comments at this stage. I have reviewed the Planning Portal but have not been able to locate a response.

We are keen to progress lodgement of the Modification Application, so I would appreciate any update you are able to provide. Apologies if this was sent to Stephen and I have missed it.

Thank you very much.

Kind regards,

**AllenPrice**
