Subject: Shoalhaven Starches Expansion Project Modification 25 – Operational Noise Management Plan (ONMP)

Dear Mr Studdert

I refer to your submission of the Operational Noise Management Plan (ONMP) on the 6 November 2025 seeking approval from the Planning Secretary in accordance with Condition 14S of Schedule 3 of the approval for the Shoalhaven Starches Expansion Project (MP06_0228) to address the work approved under Modification 25 (MOD 25).

The Department has carefully reviewed the document and is satisfied that it meets the requirements of Condition 14S of Schedule 3 of MP06_0228 as it sets out a plan to manage noise generated from the operation of the rail line extension approved under MOD 25.

Accordingly, as nominee of the Planning Secretary, I approved on the ONMP, prepared by Day Design Pty Ltd, Revision A, dated 24 October 2025.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Shaun Williams on (02) 8275 1345 or shaun.williams@planning.nsw.gov.au.

Yours sincerely
