Dear Mr Studdert

**Shoalhaven Starches Expansion Project (MP 06_0228)
Updated Construction Noise Management Plan**

I refer to the updated Construction Noise Management Plan (CNMP) which was submitted in accordance with Condition 13A of Schedule 3 of the consent for the Shoalhaven Starches Expansion Project (MP 06_0228).

The Department has carefully reviewed the document and is satisfied that the CNMP provides sufficient measures and procedures to manage and mitigate construction noise generated from the construction works associated with approved modifications to MP 06_0228 including MOD 17, MOD 18 and MOD 19.

Accordingly, the Planning Secretary has approved the CNMP (Revision 1.0.B, dated 7 April 2021). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Shaun Williams on (02) 8275 1345.

Yours sincerely
