Dear Mr Studdert

**Shoalhaven Starches Expansion Project (MP 06_0228)
Acid Sulfate Soil Management Plan – Condition 21**

I refer to the updated Acid Sulfate Soil Management Plan (ASSMP) which was submitted in accordance with Condition 21 of Schedule 3 of the consent for the Shoalhaven Starches Expansion Project (MP 06_0228).

The Department has carefully reviewed the document and is satisfied the ASSMP provides sufficient measures to manage and mitigate acid sulfate soils during construction associated with approved modifications to MP 06_0228, including MOD 17, MOD 18 and MOD 19.

Accordingly, the Planning Secretary has approved the ASSMP (Revision 1.0.B, dated 15 April 2021). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Shaun Williams on (02) 8275 1345 or shaun.williams@planning.nsw.gov.au.

Yours sincerely
