Dear Mr Studdert

I refer to your submission dated 2 August 2022, requesting approval of the Construction Noise Management Plan (CNMP) for Modification 23 of the Shoalhaven Starches Expansion Project.

I note the CNMP has been prepared in accordance with the EPA's Interim Construction Noise Guideline and adequately addressed the requirements of the conditions of consent.

As nominee of the Planning Secretary, I approve the Construction Noise Management Plan, dated 1 August 2022 under Condition 13A of Schedule 3 of MP06_0228.

You are reminded that if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the conditions of approval prevail.

Please ensure you make the document and this approval letter publicly available on the project website.

Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Shaun Williams on shaun.williams@planning.nsw.gov.au or (02) 8275 1345.

Yours sincerely
