Dear Sir / Madam

Southern Highlands Shooting Complex

Notice of Exhibition

NSW Office of Sport has submitted a Modification Request for the Southern Highlands Shooting Complex, located at Wattle Ridge Road, Hill Top in the Wingecarribee local government area. You are being notified of the proposal as you have been identified as a neighbouring landowner / occupier or you made a submission on the previous application. I don't live in the area.

The Modification Request seeks approval for the following:

- Physical changes to the design of the 500 metre and 50 metre shooting ranges;
- Modifications to the approved plans;
- Amendments to conditions of approval regarding the use of the existing 800 metre range, hours of use, firearm noise limits, special events, independent auditing and reporting, the Operational and Environmental Management Plan and soil, water and contamination management; and
- A revised Statement of Commitments.

The Modification Request including the Environmental Assessment for the proposal will be on public exhibition from **Friday 2 December 2016** until **Tuesday 31 January 2017**.

If you wish to make a submission on the proposal you should read the submissions section overleaf. Submissions must reach the Department by close of business **Tuesday 31 January 2017**.

Details on where to view the modification request during the exhibition period are also overleaf.

Yours sincerely

Chris Ritchie
Director
Industry Assessments

PLEASE NOTE.

2-3yrs ago I did remark that the S.R. Complex at Hill Top along that narrow road would be dangerous with expected increase in traffic. Please remember those locals who have to drive along it! I know other locals have like-minded thoughts on this subject as I do.

Roger H. Cutbill.
