Dear Aaron

Re: **Redevelopment of TTSC and Waste Removal**

Further more, to our discussion on Thursday 29/03/2007, regarding the redevelopment of Twin Towns Service Club, Wharf Street, Tweed Heads, The below information is in regard to;

Plan, Job # 335 30/03/2007 SK-32 A

Proposed new service will be placement of large industrial bins, in the New refuse room (located east of the existing room). All bins are to have tow hitches and tow balls, so they can be tow into a central bin holding area.

At the Southern ending of existing building, Movement of the bins, is to be via car park as per your plan and direction

As we currently service both the Resort complex and Club in this manner

All bins are to be fitted with rubber wheels, to aid in the reduction of noise.

All vehicle movements that Solo Resource Recovery, perform while on site at Twin Town Services Club are to be in a forward direction.

Thank you for the opportunity of providing to you and if you have any further queries, please don't hesitate to contact me on 0419 239 046

Yours sincerely

Solo Resource Recovery
