Attn: Caitlin Bennet

Hume Highway duplication. Woomargama to Mullengandra modification request for changed impacts.

Dear Mr Jeffries

The Hume Highway duplication – Woomargama to Mullengandra project was approved by the Minister for Planning under Concept Approval 06\_0314 and Project Approval 06\_0249.

In developing the detailed design for the project, minor changes to the alignment have been proposed which have been assessed for consistency with the approved project. As a consequence, the design changes are considered to be consistent with the functions and objectives of both the Concept Approval and the Project Approval and consistent with the conditions of the Concept Approval. However, the resulting environmental impacts are considered to be inconsistent with the impacts assessed in the environmental assessment submitted for project approval and therefore inconsistent with specific conditions for particular impacts on heritage.

The changes to the alignment and an assessment of the consequential impacts are described in the attached report *Hume Highway Duplication Project Southern Alliance – Woomargama to Table Top, Modification Report Woomargama to Mullengandra – Project Approval 06\_249* (Hume Highway Southern Alliance 19 February 2008).

A cheque for \$750 being the fee applicable to the modification request is being sent separately.

Please contact Peter Hurst on (02) 6923 3415 should you wish to discuss or clarify any issues.

The capital investment value of the proposed modification pit is significantly less than 50% of the capital investment value of the approved project. A cheque for \$750 being the fee applicable to the modification request is being sent separately.

Please contact Peter Hurst on (02) 6923 3415 or alternatively Jo Moss of the Hume Highway Southern Alliance on (02) 9928 2162 should you wish to discuss or clarify any issues.

Yours sincerely
