Dear Mathew,

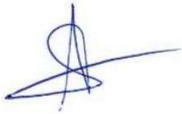

## **Hunter Valley Operations Blast Management Plan – Request for Extension for Request for Additional Information**

I refer to the HVO Blast Management Plan – Request for Additional Information provided to  
HVO 11 March 2021.

HVO request an extension for providing this information to 30 April 2021. This extension is  
requested due to limited resources resulting from preparation of the HVO Annual Review, and  
response to the high rainfall received in March 2021.

Please contact me on 0428 494 452 if you would like to discuss this matter.

Yours sincerely,

Andrew Speechly

**Manager Environment & Community**
