Subject: Ardglen Quarry - Biodiversity Offset Conservation Agreement

Dear Mr. Robinson

I refer to your submission providing confirmation from the Biodiversity Conservation Trust (BCT) regarding the execution of the Conservation Agreement (CA) associated with the Ardglen Quarry's Biodiversity Offset Areas (BOA's).

The Department understands that BCT signed CA0363, as the Ministers delegate, under the Biodiversity Conservation Act 2016, on the 7 May 2024.

The Department has reviewed your submission and attachment and is satisfied that it meets the requirements of the relevant conditions of consent.

As nominee of the Planning Secretary, I confirm that the Buttai Gravel have made suitable arrangements to provide long term security for the Biodiversity Offset Areas, to the satisfaction of the BCT, prior to undertaking any works in the Extension Area, in accordance with Schedule 3 Condition 26 of the Project Approval for Ardglen Quarry (DA06_0264).

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Wayne Jones on (02) 6575 3406.

Yours sincerely
