Dear Sir,

With reference to the proposed Queensland Hunter Gas Pipeline Project.

We wish to lodge an objection to the pipeline which we believe is to be located on our property at Edgeroi NSW and also on a neighbouring property which we currently lease for farming.

We have been awaiting a response since beginning of October from Mr. Geoff Morris. Mr. Morris has apparently been too busy to contact us to date. For this reason we have decided to formally lodge an objection. I understand that submissions closed on 20th October 2008. Our lateness is due to the fact that we have been waiting for Mr. Morris to call as he promised earlier this month.

Yours Sincerely
J. L Aitken (for Wenona Pastoral Company)
