Queensland Hunter Gas Pipeline Submissions  
Major Infrastructure Assessments  
Department of Planning  
GPO Box 39  
Sydney, NSW 2001

Dear Sir/Madam

We would like to confirm the Maitland Business Chamber's support of the Queensland Hunter Gas Pipeline submissions.

Queensland Hunter Gas Pipeline General Manager Bob Otjen gave a presentation of the proposed pipeline to our July Chamber Members meeting.

We believe that this pipeline will be a benefit to the Maitland area, the greater Hunter Valley/Newcastle area and New South Wales as a whole. In particular the security of supply and additional gas supplies to the area are most welcome.

We wish the Queensland Hunter Gas Pipeline success with their submissions.

Yours sincerely
