Subject: Cadia Mine – Traffic Management Plan

Dear Mr. Coe

I refer to your submission, requesting review and approval of the revised Traffic Management Plan, in accordance with Schedule 3, Condition 46a) of the Project Approval for Cadia Mine Project (MP06_0295), following the approval of Modification 17.

The Department notes that Modification 17 allowed for an administrative update to the project layout figure to reflect the project's existing and approved disturbance footprint.

Accordingly, as nominee of the Planning Secretary, I approve the revised Traffic Management Plan (Rev 4.0, dated 5 May 2026).

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Wayne Jones on (02) 6575 3406.

Yours sincerely
