	APPENDIX 5/ZE (14 x
T-695	

Figure 1 illustrates the process of tree expansion and retention. It shows three stages of a tree structure. In the first stage, a tree with root x and children y and z is shown, labeled "Advised / Expanded Trees". In the second stage, the tree is expanded, with the root x now labeled $x.a$ and children y and z , labeled "Expanded Trees to be Retained". In the third stage, the tree is shown again, but the root x is now labeled $x.a$ and children y and z , labeled "Expanded Trees to be Deleted".
