Michael,

I refer to the abovementioned modification referred to Transport for NSW (TfNSW) on 22 August 2022 for comment.

It is understood the modification seeks approval to modify the Concept Plan Approval and Project Approval for Super Lot 5, to change the retirement community to small, integrated housing and to establish new, detailed design guidelines for the proposed subdivision.

TfNSW key interests are the safety and efficiency of the transport network, the needs of our customers and the integration of land use and transport in accordance with Future Transport Strategy 2056.

TfNSW has reviewed the information provided and has no further comments or requirements at this time.

Regards,
Kate
