Subject: Odour Management Plan

Dear Mr Lodge

I refer to the Odour Management Plan submitted in accordance with Condition 10 and 11 Schedule 3 of the consent for the Enviroking Liquid Waste Facility (MP07\_0048). I also acknowledge your response to the Department's review comments and request for additional information.

I note the Odour Management Plan prepared by SLR Consulting (Version 7), dated January 2023, contains the information required by the conditions of approval.

The Department has reviewed the document and is satisfied that it meets the requirements of the relevant conditions of consent MP07\_0048.

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Laura Evert on 02 8289 6613 or via email at [laura.evert@dpie.nsw.gov.au](mailto:laura.evert@dpie.nsw.gov.au)

Yours sincerely
