Dear Ms Wedgwood

**Bulk Liquids Berths No. 2 (MP07\_0061)  
Hazards Audit 2017**

I refer to your submission on 19 October 2020 of the Hazard Audit 2017, Rev B, dated 22 April 2017 under condition 3.3, Schedule 2 of MP 07\_0061.

The Department has carefully reviewed the document and is satisfied that it is prepared in accordance with the Hazardous Industry Planning Advisory Paper No. 5 – Hazard Audit Guidelines (HIPAP No. 5) and has addressed the requirements of condition 3.3. It is noted that the submitted Hazard Audit is a late submission and the majority of the recommendations and actions have been closed out in 2018.

Based on the above, the Hazard Audit 2017 is approved, and the next hazard audit will be undertaken by December 2020.

If you wish to discuss the matter further, please contact Doris Yau on 9274 6110 or [doris.yau@planning.nsw.gov.au](mailto:doris.yau@planning.nsw.gov.au).

Yours sincerely
