Dear Mr Brown

**Bulk Liquids Berth No. 2 (MP07_0061)
Hazard Audit 2021**

I refer to your submission on 26 February 2021 of the Hazard Audit 2021, Revision O, dated 25 February 2021 under condition 3.3, Schedule 2 of MP07_0061.

The Department acknowledges that the Hazard Audit 2021 has been submitted for information and has been prepared in accordance with Hazardous Industry Advisory Paper No. 5 – Hazard Audit Guidelines (HIPAP No. 5).

It is also noted that the submitted Hazard Audit has incorporated two recommendations from the Hazard Audit 2017. I note that the current Hazard Audit clearly outlines an achievable timeframe for action of these recommendations, ahead of the next hazard audit to be undertaken by December 2024.

Please ensure that the Hazard Audit is placed on the project website at your earliest convenience. If you wish to discuss the matter further, please contact Doris Yau on 9274 6110 or doris.yau@planning.nsw.gov.au.

Yours sincerely
