Dear Ms Pignone

**Wagga Wagga Quarry (07_0069) and Bass Point Quarry (08_0143)
Extension of Time to Undertake Independent Environmental Audits**

I refer to your request for an extension of time to undertake the Independent Environmental Audits as required by:

- Condition 8, Schedule 5 of Project Approval 07_0069 for the Wagga Wagga Quarry; and
- Condition 9, Schedule 5 of Project Approval 08_0143 for the Bass Point Quarry.

The Department acknowledges that complying with the current New South Wales Government requirements regarding social distancing relating to COVID-19, has resulted in the need to postpone the Independent Environmental Audits until restrictions ease.

Accordingly, the Planning Secretary has granted an extension of time until the end of **September 2020** to conduct the Independent Environmental Audits in accordance with the relevant conditions listed above.

If you are unable to meet this timeframe, as social distancing requirements have not eased by the specified date, or if have any further enquiries, please contact Joe Fittell on the details listed above.

Yours sincerely
