Wollongong Private Hospital - Urunga Parade Vehicle Access

This letter confirms that the acoustic assessment of the proposed vehicle access point via Urunga Parade has been undertaken by this office as part of the Section 75W submission.

The assessment included an assessment of the potential for noise impact from the use of the access way and concluded that noise level impact at the surrounding receivers will comply with the relevant Environmental Protection Authority, Industrial Noise Policy criteria (section 5.3.1 of the Noise Impact Assessment Ref: 20130392.1/2808A/R0/BW).

We trust this information is satisfactory. Please contact us should you have any further queries.

Yours faithfully,

A handwritten signature in blue ink that reads 'B.G. White'.
