Hi Jack,

TfNSW raises no objection to this approach.

Did you want me to close off this referral in the MP PP?

Hi Masa,

Thanks for your email – the Department's proposed approach is to include in the Traffic Management Plan a requirement to demonstrate how Origin would minimise traffic movements via the southern access route through Morisset between 4-6pm.

Let me know if TfNSW is comfortable with this approach.

Kind regards,

Jack

Hi Jack,

Further to our telephone conversation on Monday, did you get a chance to speak with your colleagues about the PM Peak period traffic movements?
