Dear Mrs Dobson

I refer to the Operation Environment Management Plan, staged for operations approved under Modification 2, which was submitted in accordance with Condition 4.3 of Schedule 2 of the consent for Eraring Power Station – Ash Dam Expansion (the project).

The Department has carefully reviewed the document and is satisfied that it generally meets the requirements of the condition.

Accordingly, as nominee of the Planning Secretary, I approve the Operation Environment Management Plan – Modification 2 (Version 1, dated 28 November 2022). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Jack Turner on 9995 5387

Yours sincerely
