Dear Mr Murphy

Bloomfield Colliery Life of Mine Extension - Modification 4 (MP 07_0087 MOD 4)

I refer to your email dated 1st February 2018 inviting comment in relation to the proposed modifications to the Bloomfield Colliery (MP 07_0087 MOD 4). Subsidence Advisory NSW (SA NSW) understands the application involves extension of the existing open cut mining operations for an additional nine years, continuation of mining within their approved extraction areas and modification of the previously approved final landform.

SA NSW has reviewed the Environmental Assessment prepared for this application and has no objection to the proposed modifications.

Yours sincerely
