

**Record of Minister's opinion for the purposes of Clause 6(1) of the State Environmental Planning Policy (Major Projects) 2005**

I, the Director-General of the Department of Planning, as delegate of the Minister for Planning under delegation executed on 26 February 2007, have formed the opinion that the development described in the Schedule below, is development of a kind that is described in Schedule 2 of the *State Environmental Planning Policy (Major Projects) 2005* – namely Clause 7(1)(b) for development at Botany, 'within an area as identified on Map 5,' and for the purpose of 'a facility that manufactures, stores or uses significant quantities of dangerous goods and meets the criteria in *State Environmental Planning Policy No 33 – Hazardous and Offensive Development* of being potentially hazardous' and is thus declared to be a project to which Part 3A of the *Environmental Planning and Assessment Act 1979* applies for the purpose of section 75B of that Act.

**Schedule**

Replacement of two fuel storage tanks at Caltex's Banksmeadow Storage Terminal in Port Botany within the Botany local government area. The project is generally described in *Report – Banksmeadow Storage Tank Replacement* – prepared by URS Australia Pty Ltd and submitted to the Department on 24 May 2007.
