Dear Kyle,

RE: CULTURAL HERITAGE ASSESSMENT OF LOT 490

Enclosed is a copy of our draft Cultural Heritage Assessment of Lot 490.

We are distributing this report to all members of the Lot 490 Aboriginal Reference Group on behalf of Leighton Properties. From our conversations with Jackie McDonald, we understand that you are a particularly appropriate person to 'speak for country' in this area. We would appreciate any comments you wish to make. In particular, if you are aware of any cultural sites that we have not identified in our assessment, please notify us as soon as possible.

We note that at this stage the report is a draft only. If we are provided with new information on the cultural heritage of the area we would naturally be willing to alter any recommendations as required.

If you would like, we can hold a site meeting to discuss our findings should. Please advise us in writing by 29 October 2008 if you would like us to arrange a site inspection.

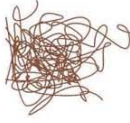

We have enclosed copies of our report for you to distribute to people who you feel may have an interest in this site. Also enclosed is an electronic copy should you wish to distribute it by email.

We look forward to working with you further on this project.
