2 Marine Parade

Towradgi, NSW  
2518

**Content:**

I can not believe that any politician has the right to sell our water catchment areas for Apex Gas Exploration in the Illawarra. What gives anyone the right to poison such a pristine area. This is our drinking water you are going to mess with. Shame on all of you. What are we going to leave our children and grandchildren. Nothing but poisons is what they will have.
