Address:  
20 Longview Crescent

Stanwell Tops, NSW  
2508

**Content:**

I strongly object to any gas exploration in the water catchment areas for the following reasons:

Damage to sandstone geology

Contamination to our drinking water

Fire hazard

Threat to the wildlife corridors

I ask the Government to say NO to mining in water catchment areas.

A Government that would say yes is NOT a government I would support in any way.
