6/57 Yarranabee rd

Darling point, NSW
2027

Content:

I am very concerned about oil and gas prospecting in urban and rural areas. Fracking has been proving to result in health dangers and environmental catastrophes in it's contaminating of water tables across Europe and the United States already. It is not welcome here and any politician supporting it's evil spread, will have no vote of mine.

Best,

Celina Stang
