Address:  
23 Chalmers Street

Balgownie, NSW  
2519

Content:

The risks of CSG mining are well evidenced and the Premier has acknowledged that the current legislation is not adequate to manage development of the industry. In this context, no new applications or modifications should be approved and existing projects should be frozen, to conduct an investigation into the full impacts of CSG development.

Any less is simply unacceptable to the community.
