Austinmer, NSW
2515

Content:

Allowing this development to go ahead contradicts the pre-election promise from Barry O'Farrell in which he said "The next Liberal/National Government will ensure that mining cannot occur... in any water catchment area, and will ensure that mining leases and mining exploration permits reflect that common sense; no ifs, no buts, a guarantee." It is unacceptable for this polluting industry to be allowed to develop in our water catchments.
