Subject: Invincible Colliery Environmental Management Strategy (MP 07_0127)

Dear Mr Reed

I refer to your submission dated 1 August 2022, requesting approval of the Invincible Colliery Environmental Management Strategy (Version 0, August 2022). I also acknowledge your response to the Department's review comments and request for additional information.

The Department has carefully reviewed the Invincible Colliery Environmental Management Strategy and is satisfied that it meets the requirements of the relevant conditions of approval. Accordingly, as nominee of the Planning Secretary, I approve the Invincible Colliery Environmental Management Strategy (Version 1, October 2022).

You are reminded that if there are any inconsistencies between the Strategy and the conditions of approval, the conditions prevail. I note that the Environmental Management Strategy will be revised to reflect finalised environmental monitoring locations.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Melanie Hollis on 8217 2043.

Yours sincerely
