Subject: Extension Request for Water Management Plan

Dear Mr Haig

I refer to your request for an extension of time under condition 5, Schedule 5 of MP 07_0127 to submit a revised Water Management Plan following an Independent Environmental Audit.

The Department notes that the additional time is required so that a comprehensive update of the Water Management Plan can be completed, including revisions to water modelling.

Accordingly, the Secretary has granted an extension of time until 28 June 2025 to submit a revised Water Management Plan to the Department.

If you wish to discuss the matter further, please contact Melanie Hollis at Melanie.hollis@planning.nsw.gov.au.

Yours sincerely
